GRADE AVAILABILITY

COARSE

HEAVY GRINDING

Applications

- Aggressive fiber-heavy pad, designed for cleaning and difficult finishes.
- Ideal for rust removal, as well as for heavy cleaning in the hotel and restaurant industries.
- Functional on grills with persistent grease stains.
- Excellent for cleaning, finishing and conditioning in the metalworking industry, especially in stainless steel, coal and wrought iron.

Characteristics

- Great flexibility that allows the adaptation of the product to the surface without deforming the shape of the piece.
- Doesn't clog; dissipates heat and produces uniform scratch patterns in the pieces.
- Dispenser comes with 10 pieces and 50 pads. Measurements: 6" x 9".
