GRADE AVAILABILITY

ULTRA FINE

FINAL FINISH

Applications

- Ideal for final finish of metallic products such as key chains or buckles.
- Ultra fine finishes on plastics, natural rubber and auto parts manufacturing.
- Designed to produce high-quality finishes with uniform scratch patterns.

Characteristics

- Great flexibility that allows the adaptation of the product to the surface without deforming the shape of the piece.
- Micro-smooth metal finishes.
- Doesn't clog; dissipates heat and produces uniform scratch patterns in the pieces.
- Measurements: 6" x 9". Dispenser comes with 10 pieces and 50 pads.
