MEDIUM/FINE/EXTRA FINE
HEAVY GRINDING / INTERMEDIATE GRINDING / FINISHING

Applications

- For operations that require excellent detailing and smooth and uniform finishing.
- For intermediate and final finish applications of wood, varnishes, lacquers or paints; ideal for the wood industry.

Characteristics

- Great flexibility that allows adjustment for the sanding of any type of surface.
- Does not damage the shape of the piece; its cushion shape provides excellent finishes and cleaning action.
- Ideal for manual sanding operations.
- Can be used for wet or dry work.
- Can be washed and reused.
- Dispenser comes with 6 sponges.
Measurements: 140 mm x 115 mm x 5 mm.
